Sir:

Further to the Notice of Allowance mailed November 14, 2007, it is respectfully requested that the Examiner consider the attached references considered by the Examiner in parent application no. 10/256,244 under the procedures of MPEP 2001.06(b). Specifically, MPEP 2001.06(b) allows the applicant to ensure that any issuing patent lists references considered in the parent application. No requirement exists for a fee or a statement under 37 CFR §1.97 as consideration is presumed under MPEP 2001.06(b). Since the reference submitted on the attached Attachment 1(a) was previously considered in the parent application, U.S. Patent Application No. 10/256,244, consideration is presumed under MPEP 2001.06(b) and citation is being made to ensure the reference is listed on any issued patent.

Respectfully submitted,
